CWD was selected based on their reputation for excellent service; overall low cost; strong recommendations from the cities of Frisco, Allen and Little Elm; and a unanimous recommendation from the Solid Waste Citizens Advisory Committee made up of Wylie residents.

Delivery of your new grey trash cart and blue recycling cart began July 15. In order to ensure a smooth transition from Allied Waste to CWD, be sure to read the Trash and Recycling Guide attached to your new trash cart. The guide contains information on pick-up schedules, brush & bulk call-in details, pick-up guidelines and recycling guidelines. Allied Waste will pick up your old carts after your last scheduled pick-up.

CWD is committed to providing excellent customer service. Please contact CWD, 972-392-9300, option 2, if you have questions concerning the transition or services.
